Welcome

to the 2026 Eynesbury Masters Pro-Am

In partnership with the PGA of Australia, the Eynesbury Masters Pro-Am is back on in 2026. The event will consist of a Sponsors Day on Friday the 20th March and the Tournament Day on Saturday the 21st March.

For those of you not familiar with a Pro-Am event, it's a fantastic opportunity to play a round of golf alongside a PGA Professional while entertaining clients, staff, colleagues, or friends. On the course, you'll get to see first-hand how a golf professional plays the game, and perhaps pick up a few pointers before enjoying post game hospitality.

While the event is a major golf event we are also encouraging the community to come along for some non-golfing fun! Saturday will be kids day with fun activities like mini golf, face painting, jumping castle etc.
